Throughout the West and North-

Mr. Ives Tells to Appear Before the
Stockholders' Committee and the In-
dications are That the C. H. & D.
Will Go to a Receiver.

By the Associated Press.

CHICAGO, Aug. 9.—A Times Great
Haven, Mich., special says: Heavy forest
fires are raging throughout this section for
the past two weeks, doing considerable
damage. The fire department has been
called out. The forest country of the city
back of Lake Forest south of about 1-
400 acres, is burned. In that vicinity the
fire encroached upon the cemetery, where it
burned the grass off about thirty lots, badly
bleaching the tombstones, etc. The fire is
now under control south of here, but is
raging fiercely southwest of the city.

CINCINNATI, Ill., Aug. 9.—Prairie fires
have been of frequent occurrence in this
vicinity during the past two weeks, and the
loss will aggregate several thousands of
dollars. A farmer living along the line of
the Ohio and Mississippi railway had about
fifty tons of timothy hay burned off his
meadow, which was supposed to have been
set on fire by a locomotive spark. He has
filed complaint against the company for
heavy damages.

MINNAPOLIS, Minn., Aug. 9.—The
extended drouth has made everything in-
flamable, and frequent fires are the result.
A large area of the whortleberry marsh
east of town has been on fire for several
days, doing much damage. All the farmers
in the vicinity are fighting the flames to
save their houses, wheat stacks, etc.

CHICAGO, Aug. 9.—Telegrams received
this morning from central points through-
out the entire 72,000 square miles of the
drouth-stricken northwestern country show
fearful hot weather. The sun is scorching
off all vegetation and continues unmitigated.
Not a drop of rain has fallen, except eight
one-hundredths of an inch at Des Moines a
few sprinkles on the deep dust.

Local observations in various districts
show a drop of rain, but it is not enough
to relieve the drouth. The large
state mill of Hein & Meyer, on Wedge
creek, together with thousands of dollars
worth of staves, is in great danger, and a
few men started from this city to fight the
flames.

THE C. H. & D. MUDDLE.

The Committee of Stockholders in New
York. The Road Likely to Go into the
Hands of a Receiver.

NEW YORK, Aug. 9.—Shortly before
noon today the committee appointed to
investigate Henry S. Ives' management of
the Cincinnati, Hamilton and Dayton rail-
road met to listen to any statement which
Mr. Ives might have to make. At noon
Mr. Ives had not appeared, and his partner,
Mr. Doremus, expressed doubts as to
whether Mr. Ives intended to make any
statement, but members of the committee
said that if he did not appear, they would
not resign today the road will be thrown
into the hands of a receiver. Many of the
committee think this the best course to take
in any event, so that the stockholders may
be enabled to get at the books and thor-
oughly investigate the doings of Mr. Ives.
Mr. Meyer says the Cincinnati people are
claiming that there is a shortage of \$2,000,000,
and that if this cannot be explained
criminal proceedings will be at once instituted.

THE TRAITORS FIRED.

Oil-Producers' Association Expel Certain
Obnoxious Members.

FINLAY, Aug. 9.—The Ohio Oil-pro-
ducers' association held an exciting secret
meeting here yesterday afternoon for the
purpose of expelling two members of the
association who it had been discovered
were in the pay of the Standard Oil com-
pany and had joined the producers' "com-
bines" simply that they might spy upon the
proceedings. They were hustled out of the
association, much as Adam and Eve were
driven out of Paradise. The names of the
traitors cannot be obtained. Immediately
after riding the association of these dis-
trustful elements the producers got down
to business and appointed a committee
to confer with the county commissioners
of the several counties in the dis-
trict and obtain permission to lay their
lines across the public roads and highways.

On Native Soil.

TACOMA, W. T., Aug. 9.—The steamer
Olympia just returned from a trip to
Alaska bearing back Senators Cameron,
Vest and Farwell, Governor Swineford,
of Alaska, and House of Representatives
The Gold Mountains of Douglas Island
were astonishing. Alaska Indians they
found far advanced in civilization and
Christianity. The party witnessed the de-
parture of an Indian fleet of six boats from
Hutchinson, Alaska, for Port
Chadler, Alaska, with an advance division
of a thousand Indians who seek better
homes in our country.

General Buckner Really Carries Ken-
tucky.

LOUISVILLE, Aug. 9.—The official
majority of Buckner over Bradley in ninety-
four counties has been ascertained. The
winning counties are Adams, Boyd, Bracken,
Breathitt, Davies, Floyd, Harlan,
Jackson, Jessamine, Leslie, Letcher, Lawrence,
Mazaudin, Morgan, Owsley, Perry,
Pike, Trimble, Union and Wolfe. The es-
timated total majority is 17,500. These twenty
counties not yet officially reported gave
Cleveland a majority of 4,847.

Blaine in Ireland.

LONDON, Aug. 9.—Mr. James G. Blaine,
with his wife and daughters, are in Dublin.
Mr. Blaine intends spending some time in
Ireland, as he intends to take a quiet look
around and examine into the condition of
the country. He says his experience thus far
of European society has not reconciled him
to the order of things on this subject.

Horse and Things Stolen.

The police have been notified that a large
pair of horses, six years old, and a newly
painted, side-bar, piano-buggy, were
stolen from Grayson Day, at Troy, about
10 o'clock on Sunday night. Dye offers a
liberal reward for the return of the rig.

NEW YORK, Aug. 9.—A Druggist, Mass.,
special says: Miss Phoebe Wolcott, the
adopted daughter of the poet Whittier, who
ran away from home a week or ten days
ago, has returned.
